CREATE A SPIE ACCOUNT

An SPIE Account is required to access the Exhibitor Dashboard. If you don't already have an SPIE Account, please create one at <u>https://spie.org/exhibitoradmin/dashboard</u>

A few things to note before you create your account...

SPIE accounts are personal accounts, not company accounts. Do not share your SPIE account with co-workers.

The Exhibitor Dashboard is linked to your SPIE account.

Only the person noted as the SPIE Liaison for a specific event/year has access to the Exhibitor Dashboard. This is the person designated as the primary liaison on the exhibit contract.

If you are a new liaison, need to be added as an additional liaison, or have questions about navigating the Dashboard, please email <u>exhibitions@spie.org</u>.
